Before You Buy

When buying travel insurance there are many different policies available and each policy offers a different level of cover. Travel Insurance Direct (TID) wants to make sure you are informed and choose the right cover for your personal circumstances.

1.0

Five things you must know about our travel insurance policies:

1. How your medical history affects your cover

Medical cover under travel insurance policies is for unexpected **sudden illnesses or serious injuries**.

Our travel insurance only includes cover for certain medical conditions, so please consider **your** medical history carefully because **overseas** medical care is expensive.

Medical conditions **you** already have before **you** buy the policy are only covered if **you** meet the criteria for “Automatically Covered Conditions” on page 26 in this Product Disclosure Statement (PDS).

This means **you** will not be covered for any claims where **your** medical history is a contributing factor and is not covered by the policy.

2. Where you are going and how often

The cover that is right for **you** will depend on where **you** are travelling, who is travelling and how often. The plans **we** offer are:

- › International: for travel **overseas** for people under age 81
- › Domestic: for travel within New Zealand for people under age 81
- › Annual Multi Trip: a 12-month policy for people under age 76 who travel frequently.

Cover includes both international and **domestic** leisure trips for a maximum 38 days or business trips for a maximum 90 days.

- › All plans are only available for **residents** of New Zealand.

3. What's covered and what's not?

Our three plans each have different “Policy Benefits” on page 06, but like all travel insurance policies they don't cover everything. Also, certain words have special meanings which can be found in the “Travel Insurance Glossary” on page 40.

- › Each policy section tells **you** what is covered and what **we** will pay.
- › Additional options are available for specified luggage cover and **rental vehicle** excess.
- › Exclusions to Sections (page 06) describe the specific circumstances which are not covered by these sections of the policy.
- › The “General Exclusions: applicable to all sections” on page 21 apply to the entire policy.

Both Section and General Exclusions are linked on the “Policy Benefits” on page 06 and highlighted in shaded boxes throughout the PDS for easy reference.

Please read through this information carefully because it defines the way the policy responds when **you** need to claim.

4. When am I covered?

You should purchase **your** travel insurance as soon as possible after **you** have begun to book **your trip** because cover for cancellation costs begins from when **you** purchase the policy and **we** email **you** a Certificate of Insurance.

Cover for all other benefits begins on **your** date of departure and ends on **your** date of return as stated under Period of Insurance on **your** Certificate of Insurance or when **you** return to **your home**, whichever happens first.

The policy is only valid once the premium is paid and **we** issue a Certificate of Insurance. Only people named on the Certificate of Insurance are covered by the policy.

Please make sure **you** keep **your** Certificate of Insurance and this PDS safe together with any other documents **we** send **you** as these contain all the information about **your** policy.

A few words about the Annual Multi Trip plan:

- › This policy may be purchased within 30 days before the start of **your** intended period of insurance.
- › Under a **family** policy, **your** adult travel partner listed on **your** Certificate of Insurance may travel independently of **you**.
- › **Dependents** listed on **your** Certificate of Insurance are only covered whilst accompanying **you** and/or **your** insured travel partner.

5. About your insurance

TID is an online travel insurance company that has provided cover for more than one million people since 2005. This policy is managed by nib Travel Services (Australia) Pty Limited (nib) and underwritten by certain underwriters at Lloyd's.

The “Important Matters” on page 34 contains all the information on **your** rights and responsibilities and how the providers of this insurance work together to service this policy including:

- › “Applying for cover” on page 35
- › “About your premium” on page 35
- › “Changes to your policy” on page 35
- › “Cooling-off period” on page 35
- › “Policy extensions” on page 36
- › “Duty of disclosure” on page 36
- › “Feedback, complaints and disputes” on page 37
- › “Privacy” on page 38
- › “About us” on page 38
- › “Fair Insurance Code” on page 39
- › “Jurisdiction and Choice of Law” on page 39
- › “Updating the PDS” on page 39
- › “Date prepared” on page 39

It is **our** responsibility to operate this insurance within the Fair Insurance Code. It is **our** choice to do this in such a way that is dependable, helpful and easy. **Your** policy is based on what **you** tell **us**, and **we** expect **you** to be truthful. If **you** aren't, this has implications.

What's Covered and What's Not

TID gets to see all the unexpected things that happen to people overseas every single day, so our policy is designed to cover such events, making it helpful, easy and great value.

3.0

Section 1: Medical expenses incurred overseas

You only have this cover if **you** choose the International or Annual Multi Trip plan.

1. **We** will pay the **reasonable** cost of emergency medical, hospital, road ambulance or other treatment **you** actually and necessarily receive **overseas** during the **trip** because **you** suffer a **sudden illness or serious injury**. **You** must make an effort to keep **your** medical expenses to a minimum.

However, **we** will only pay for treatment received and/or hospital accommodation during the 12-month period after the **sudden illness** first showed itself or the **serious injury** happened.

The treatment must be given or prescribed by a registered medical practitioner or paramedic.

If **we** determine that **you** should return **home** to New Zealand for treatment and **you** do not agree to do so, then **we** will pay **you** the amount which **we** determine would cover **your** medical expenses and/or related costs had **you** agreed to **our** recommendation. **You** will then be responsible for any on-going or additional costs relating to or **arising** out of the event **you** have claimed for.

2. **We** will also pay the cost of **overseas** emergency dental treatment up to a maximum amount of \$500 per person per **trip** for dental costs incurred which the **overseas** treating dentist certifies in writing is for the relief of sudden and acute pain to sound and natural teeth.
 3. **We** will pay up to \$12,000 in total for **your** burial or cremation **overseas** or for transporting **your** remains to New Zealand.
- › Please note **we** will not pay for any costs incurred in New Zealand.

The maximum amount **we** will pay for all claims combined under this section is shown under “Policy Benefits” on page 06 for the plan **you** have selected.

For what **we** will not pay in this section, please refer to “Exclusions to Sections 1-21” on page 15 and “General Exclusions: applicable to all sections” on page 21.

Section 2: Cancellation costs

1. **We** will pay the value of the unused arrangements, less any refunds due to **you**, if **you** have to cancel any pre-paid transport or accommodation arrangements due to any unforeseen or unforeseeable circumstances outside of **your** control.
2. **We** will pay the **reasonable** cost of rearranging **your trip** prior to **you** travelling because something unforeseen and outside of **your** control occurs, provided that this cost is not greater than the cancellation fees or lost deposits which would have been incurred had the **trip** been cancelled.
3. **We** will pay the cancellation cost of tuition or course fees up to \$2,000 if the sole purpose of **your trip** is to attend that course and that course is cancelled due to circumstances outside of **your** control.
4. **We** will pay travel agent's cancellation fees up to 10% of the amount paid to the travel agent or \$1,500 on a **single** policy or \$3,000 on a **family** policy, whichever is the lesser, when full monies have been paid or the maximum of the deposit paid at the time of cancellation. **We** will not pay any travel agent's cancellation fees above the level of commission and/or service fees normally earned by the agent had the **trip** not been cancelled.
5. **We** will pay **you** for loss of frequent flyer or similar air travel points **you** used to purchase an airline ticket following cancellation of **your** airline ticket and

you cannot recover the lost points from any other source. The cancellation must be due to unforeseen or unforeseeable circumstances outside of **your** control.

We calculate the amount **we** pay **you** by multiplying:

- a) the cost of an equivalent class airline ticket based on the quoted retail price at the time the ticket was issued, less **your** financial contribution;
- b) by the total value of points lost divided by the total value of points used to obtain the ticket.

The maximum amount **we** will pay for all claims combined under this section is shown under “Policy Benefits” on page 06 for the plan **you** have selected.

For what **we** will not pay in this section, please refer to “Exclusions to Sections 1-21” on page 15 and “General Exclusions: applicable to all sections” on page 21.

Section 3: Additional expenses/ medical evacuation

This section only covers **you** for **reasonable** additional travel and accommodation expenses that result directly from one of the following events:

1. **You** being unable to continue the **trip** because of the death, **sudden illness or serious injury** of:
 - a) **You** or a member of **your travelling party**; or
 - b) A **close relative** who is under the age of 85 or business partner or person in the same employ as **you**, who is resident in Australia or New Zealand, provided that the **sudden illness or serious injury** required hospitalisation

or confinement. In the case of a business partner or person in the same employ, the person’s absence made the ending of the **trip** necessary and **you** have written confirmation of that fact from a senior partner or director.

2. The need, because of a **sudden illness or serious injury** resulting in **you** being hospitalised as an in-patient, for a **close relative** or friend to travel to, remain with or escort **you** in place of the attending registered medical practitioner. **You** must have written advice from the attending registered medical practitioner and **our** consent.
3. Cancellation or restriction of scheduled public transport services caused by severe weather, natural disaster, hijacking, riot, strike or civil commotion. The event must have begun after **we** issued the Certificate of Insurance. **You** must have done everything reasonable to avoid the expenses, and **you** must get the **carrier’s** written confirmation of **your** claim.
4. Motor vehicle, railway, air or marine **accident**. **You** must have written confirmation of the **accident** from an official body in the country where the **accident** happened.
5. Loss (excluding Government confiscation) of passports, travel documents or credit cards, but limited to expenses incurred within the country where the loss occurred in having the documents replaced.
6. A member of **your travelling party** who is a full-time student being required to sit supplementary examinations.

We will pay **you** if **you** have to interrupt **your trip** after it has begun for **your** necessary additional travel, accommodation, repatriation and meals that **you** undertake with **our** consent. Travel expenses for **your** return **home** or evacuation are only covered if the attending registered medical practitioner advises **us** in

writing that as a result of **sudden illness or serious injury you** are unfit to continue the **trip**.

The following rules apply:

1. **We** will not pay for the cost of resuming the **trip** after **you** have returned to New Zealand (excluding Sections 7 and 8 when applicable).
2. Additional travel must be at the fare class originally chosen, except where **we** agree otherwise based on a written recommendation by **your** attending registered medical practitioner.
3. If **you** do not have a return ticket at the time of the event that causes **you** to return to New Zealand, **we** will deduct the cost of an economy class airfare at the **carrier's** regular published rates for the return trip. **We** will use **your** return ticket if this reduces **our** costs.
4. **We** will not pay for additional transport and accommodation expenses when a claim is made under Section 2 Cancellation costs for cancelled transport and accommodation expenses covering the same period of time.
5. Benefits are payable for a period up to 12 months from the date **your trip** was interrupted.

They will need to assess **your** condition, so they will contact the hospital **you** are in to obtain necessary medical reports, and they may need to contact **your** GP at **home**.

Where **you** have not notified **our** emergency assistance service, **we** will not pay for any expenses, evacuation or airfares that have not been approved or arranged by **us**.

Subject to medical advice, **you** must follow the instructions of **our** emergency assistance team as to where **you** can be treated to ensure **you** receive quality medical care. **We** also have the option of returning **you** to New Zealand or evacuating **you** to another country if the cost of **your overseas** medical expenses could exceed the cost of returning **you** to New Zealand.

If you have a medical condition but are not hospitalised

Where the costs are likely to be under NZD \$2,000 and **you** do not require repatriation to New Zealand due to **your** medical or dental condition, **you** do not need to contact **our** emergency assistance service straight away. **You** can pay the costs yourself, but keep all receipts and obtain any medical reports to submit with **your** claim online while **you** are away or when **you** return.

Stolen, lost or damaged passport

Our emergency assistance service can help **you** find a local consulate if **your** passport is lost or stolen as well as let **you** know what **you** need to provide **us** when **you** make a claim.

How to Make a Claim

Here at TID we really hope you have a great holiday or trip. But if unfortunately the unexpected has occurred and you need to make a claim, this is what you will need to know.

7.0

You must give **us** notice of **your** claim as soon as possible by completing the claim form and posting it to **us**. If the claim form is not fully completed by **you**, **we** cannot process **your** claim. Where **we** suffer prejudice because of an incomplete claim form resulting in delay, **we** can reduce **your** claim by the amount that prejudice.

You must give **us** any information **we** reasonably ask for to support **your** claim at **your** expense such as, but not limited to, police reports, valuations, medical reports, original receipts and proof of ownership. If required, **we** may ask **you** to provide **us** with translations into English of such documents to enable **us** to carry out **our** assessment of **your** claim.

You must co-operate with **us** at all times in relation to the provision of supporting evidence and such other information as **we** may reasonably require:

- a) For medical, hospital or dental claims, contact **our** emergency assistance service as soon as possible.
- b) For damage or permanent loss of **your luggage and personal effects**, report it immediately to the police and obtain a copy of the full written report.
- c) For damage or loss of **your luggage and personal effects** caused by the airline or any other operator or accommodation provider, report the damage or loss to an appropriate official and obtain a copy of the full written report, in addition to any offer of settlement that they may make.
- d) Submit full details of any claim in writing within 30 days of **your** return.

Claims and enquiries

If **you** are admitted to hospital or **you** anticipate **you** will incur medical costs, **you**

Claims conditions

In the event of a claim **you** must:

- a) contact **our** emergency assistance service on **+61 2 9234 3123** as soon as **you** are admitted

to hospital or **you** anticipate **your** medical expenses are likely to exceed NZ\$2,000;

- b) collect a written medical report/summary from **your** treating doctor which clearly explains the medical condition, the diagnosis provided, medical tests requested and treatment given;
- c) give **us** written notice as soon as possible of an event that may result in a claim;
- d) if requested by **us**, give **us** any information **we** ask for to support **your** claim and in such form as advised by **us** including police reports, valuations, medical reports/certificates, original receipts or proof of ownership;
- e) give **us your** Certificate of Insurance and any information that **we** reasonably ask for;
- f) not make any promise or offer of payment or admit fault to anyone or become involved in any litigation, without **our** consent;
- g) take all reasonable steps to prevent or minimise a claim.

Claims processing

Your claim will be processed within ten business days of **us** receiving a completed claim form and all necessary documentation. If **we** need additional information, a written request will be sent to **you** within ten business days.

Claims are payable in New Zealand dollars

We will pay all claims in New Zealand dollars. **We** will pay **you** unless **you** tell **us** to pay someone else. The rate of currency exchange that will apply is the rate at the time **you** incurred the expense.

You must not admit fault or liability

In relation to any claim under this policy, **you** must not admit that **you** are at fault and **you** must not offer or promise to pay any money, or become involved in litigation, without **our** approval.

Depreciation

Depreciation will be applied to claims for **luggage and personal effects** at such rates as reasonably determined by **us**.

You must help us recover any money we have paid

If **we** have a claim against someone in relation to the money **we** have to pay under this policy, **you** must do everything **you** can to help **us** recover that money in any legal proceedings.

If you can claim from anyone else, we will only make up the difference

If **you** can make a claim against someone other than under an insurance policy in relation to a loss or expense covered under this policy and they do not pay **you** the full amount of **your** claim, **we** will make up the difference. **You** must claim from them first.

Other insurance

If any loss, damage or liability covered under this policy is covered by another insurance policy, **you** must give **us** details. If **you** make a claim under one insurance policy and **you** are paid the full amount of **your** claim, **you** cannot make a claim under the other policy. If **you** make a claim under another

insurance policy and **you** are not paid the full amount of **your** claim, **we** will make up the difference. **We** may seek contribution from **your** other Insurer. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other Insurer.

Subrogation

We may, at **our** discretion, undertake in **your** name and on **your** behalf control and settlement of proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy. **You** are to assist and permit to be done all acts and things as required by **us** for the purpose of recovering compensation or securing indemnity from other parties to which **we** may become entitled or subrogated, upon **us** paying **your** claim under this policy regardless of whether **we** have yet paid **your** claim and whether or not the amount **we** pay **you** is less than full compensation for **your** loss. These rights exist regardless of whether **your** claim is paid under a non-indemnity or an indemnity clause of this policy.

Recovery

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us**, **our** administration and legal costs **arising** from the recovery.
2. To **us**, an amount equal to the amount that **we** paid to **you** under the policy.
3. To **you**, **your** uninsured loss (less **your** excess).
4. To **you**, **your** excess.

Once **we** pay **your** total loss, **we** will keep all money left over. If **we** have paid **your** total loss and **you** receive a payment from

someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

Business travellers – how GST affects your claim

If **you** are entitled to claim an input tax credit in respect of a cost for which a claim is made or would be entitled to an input tax credit if **you** were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount **we** would otherwise pay will be reduced by the amount of that input tax credit.

Travel within New Zealand only

If **you** are entitled to claim an input tax credit in respect of **your** premium, **you** must inform **us** of the percentage of that input tax credit at the time **you** first make a claim. If **you** fail to do so, **you** may have a liability for GST if **we** pay **you** an amount under this policy.

Important Matters

When you buy a policy with TID it's important you understand your duty of disclosure, your rights and our responsibilities to you.

8.0

Applying for cover

When **you** apply for a policy, **we** will confirm with **you** things such as the period of insurance, **your** premium and what cover options and excesses will apply.

These details are recorded in the Certificate of Insurance and any other documentation **we** issue to **you**.

This PDS sets out the cover **we** are able to provide **you** with. **You** need to decide if the benefit limits, type and level of cover are appropriate for **you** and will cover **your** potential loss.

You should also read "Claims and enquiries" on page 31 to understand **our** claims requirements.

If **you** have any queries, want further information about the policy or want to confirm a transaction, please contact **us**:

› **0800 843 843** (free call)

About your premium

You will be told the premium payable for the policy when **you** apply. It is based on a number of factors such as **your** risk profile and distribution costs. Factors such as **your** destination(s), length of **trip**, number of people covered, age and additional cover options selected determine **your** risk profile. The higher the risk, the higher the premium.

Your premium also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation to **your** policy. These amounts will be set out separately in **your** Certificate of Insurance as part of the total premium.

Changes to your policy

Please check all **your** policy documents and make sure all the information is correct as **we** rely on the information in dealing with **your** policy. If there are any errors, please contact **us**:

› **0800 843 843** (free call)

OR

› **info@tid.co.nz**

Where **your** circumstances have changed and **you** need to change the cover **we** provide, please contact **us** so **we** can assist. In some circumstances **we** can change the cover or issue a new policy. Either way **we** will always email **you** a new Certificate of Insurance.

Where **we** aren't able to offer a change of policy or a new policy, **we** will explain why.

Cooling-off period

You have up to 14 days from the time **you** are issued **your** Certificate of Insurance to decide if the cover is right for **you**. This is called **your** cooling-off period.

If **you** decide that **you** don't want this policy, **you** may cancel it within the cooling-off period. **You** will receive a full refund of the premium **you** paid, provided:

- a) **you** haven't started **your** trip;
- b) **you** haven't made a claim; and
- c) **you** don't want to make a claim or exercise any other right under the policy.

Cancelling outside the cooling-off period

If **you** request to cancel **your** policy outside the cooling-off period, **we** may, at **our** discretion, refund that part of **your** premium paid for the unused period of insurance; **we** may charge an administration fee to do so. Also, **you** cannot have started **your trip**, made a claim and/or intend to make a claim or exercise any other right under **your** policy.

Policy extensions

Extensions are calculated at rates current at the time of the extension. An extension of cover is not available:

- a) for **pre-existing medical conditions** other than those which are automatically covered; or
- b) where there has been any change in **your** health status, including the discovery of new medical conditions, since the start of **your** original policy; or
- c) where there has been any other change to **your** personal circumstances which would impact on **our** decision to continue insuring **you** or apply any special conditions; or
- d) if **you** are over 80 years of age at the time of extension; or
- e) where **you** are aware of a possible claim resulting from **your** original policy, but **you** have not advised **us** of it.

Where **we** have updated this PDS, **you** will be offered an extension under the terms of the PDS in use at the date **your** extension is processed. Extensions will not be available when the **trip** duration exceeds 12 months in total from the Period of Insurance start date stated on **your** original Certificate of Insurance.

If the scheduled transport in which **you** are to travel is delayed, or the delay is caused by an event that entitles **you** to make a

claim under this policy, the insurance is automatically extended beyond the Period of Insurance stated in the Certificate of Insurance. The extension lasts until **you** are capable of travelling to **your** final destination, including the journey there, or for a period of six (6) months, whichever happens first.

Duty of disclosure

Before **you** enter into, vary or extend an insurance contract, **you** must provide **us** with complete and up-to-date material information about everyone insured under **your** policy.

When **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

When amending or extending **your** contract of insurance, **we** will ask **you** specific questions about any change in **your** circumstances. **You** must tell **us** about any change to something **you** have previously told **us**, otherwise **you** will be taken to have told **us** that there is no change.

You have this duty until **we** agree to insure, amend or extend the contract.

If **you** do not tell **us** anything **you** are required to tell **us** or if **you** provide **us** with false information, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** anything **you** are required to tell **us**, or **your** provision of false information, is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

We welcome all feedback on **your** experience with **us**, good or bad. **You** can reach **us** on info@tid.co.nz or **0800 843 843**.
